Featured Property: "**The Chelsea Lofts**"

2064 Herschel Street
Jacksonville, FL 32204

The three-story building is designed in perfect sync with the architectural character for which the neighborhood is known, but the interiors at the Chelsea Lofts are purely contemporary. A fresh new take on condo life, these stylish lofts include wide-open loft floor plans, soaring 10-foot-plus ceilings, custom stained concrete floors, flexible lighting grids and exposed spiral ductwork and mechanical systems. Each of these Jacksonville urban loft condos offers spacious private balconies with great views of the Riverside/Avondale historic district, modern stainless appliance packages, high-speed Internet access and much more combine to make your fantasy a reality.
